

MERCEDES-BENZ E (W210) 300 Turbodiesel, -T (606.962) 1996 until 1998

Wiring DiagramERE A/T 03/1997 ->

- 22. fuel injection control solenoid
- 24. waste gate solenoid
- 29. glow plug
- 32. MAP sensor
- 42. coolant temperature sensor
- 58. accelerator pedal position sensor
- 60. fuel temperature sensor
- 83. diagnostic connector
- 90. main relay
- 95. glow plug relay
- 138. start signal
- 202. CAN system
- 760. cruise control combination switch

- 23. EGR control solenoid
- 26. fuel shut-off solenoid
- 31. mass air-flow meter
- 39. magnetic pickup on crankshaft
- 43. air temperature sensor
- 59. fuel regulator sensor
- 80. air conditioning
- 85. automatic transmission
- 195. oil level switch
